## **Daemon (The Pro-Created)**

## Whitechapel

"As the light is extinguished grounds rumble with an endless ri sing fiend with eternal suffering now infesting a rising abyss shadows what was once alive"

Hell has ascended to the earth by mortal hands [Repeat: x 2]

```
Daemon, hear my beckoning
Daemon, rise and devour thy cosmos
Daemon, I call thy name
Daemon, Daemon, Daemon!
```

Bring forth your fury upon this wretched world make them exalt you and build your horde

```
Cast down all who oppose you! [Repeat: x 2]
```

With his thousand eyes watching his eternal reign he sounds the songs of the end to foretell his deed

```
This is my prophecy
And the populace will rise and fall
It won't be rectified
Rue the day that your hear his name {Repeat: x 2}
This is the end of all life
This is the end of the world [Repeat: x 2]
```
