

Attention Please

Whitecross

Hey all you people, stand up and join me,
Gimme a listen, I've got something for you.

We have a reason to get excited.
His name is Jesus, He knows all about you.

It's time to wake up, shake up!
He's calling out, your attention please.
He wants it now, your attention please, please!

Your head is spinnin', so many questions.
Wonder what's missin', could it be true?

There is an answer and if you seek Him,
You will find Him.
He will make all things new!

It's time to learn the right way,
The straight way!

Do you hear him callin' you?
It's time to make your move!

You're always thinkin' nobody loves you.
You're left alone and there's no one to call.

Can't find a reason to keep on livin'.
Your hands are tied up,
You're nailed to the wall.
