

Good Enough

Whitecross

Some people said He was a prophet
He was a teacher of the law
Was He the one and only Son of God?
Did they understand who He said He was at all?

Won't be no doubtin'
Cause in the end we all will shout

That's good, good enough
That's good enough for me
Well that's good, good enough
That's good enough for me

Now if you think He was a legend
Well listen, I've got news for you
His story would've died a long time ago
One day soon we'll see His words were true

Won't be no doubtin'
Cause in the end we all will shout

He's the Rock of Ages, the Cornerstone
A sure foundation
And we're all goin' home
