

King of Angels

Whitecross

Have you heard about the king of angels
Have you heard about the one who sent his son to you
He's the one who rides the ancient skies
He's the lord of all and he's making all things new

I keep lookin' up in the sky
I'm gonna fly away

Sing whoa, if you're waiting for the king of angels, sing
Whoa if you're waiting for the love that Jesus brings
Sing whoa, if you're waiting for the king of angels, sing
Whoa

Have you heard about the king of angels
Have you heard that he's the one who sent his son to you?
He's the one who lives beyond the grave
He's the one who lives to give new life to you

I keep watching to see if today
I'm gonna fly

Sing whoa, if you're waiting for the king of angels, sing
Whoa if you're waiting for the love that Jesus brings
Sing whoa, if you're waiting for the king of angels, sing
Whoa
