

Love Is Our Weapon

Whitecross

There's a war goin' on
And are you ready to fight
Our weapons are not of this world
They belong to the light

By His power we demolish strongholds
Put our enemy back in his place
And even though we live in a world of sin
When we walk with the Lord we win

Love is our weapon
We need to use it
Love is our weapon
Let's not abuse it

Well, it begins on our knees
When God's children start to pray
Then the devil has to flee

By His power we will demolish strongholds
Put our enemy back in his place
And even though we live in a world of sin
When we walk with the Lord we win
