

Right To Kill

Whitehouse

That's yours
That body's yours
Beat it
f**k it
Dominate, mutilate, strangulate
Rape and bugger it
Kill it
Eat it
It's your right to kill
It's your nature
The ultimate pleasure
Kill, kill, kill
It's your f**king right to kill
It's your f**king nature
Kill, kill, kill
It's my right to kill
