

All Or Nothing

Whitesnake

Tonight's the night
To come in out of the cold,
I've waited such a long, long time
I'm getting out of control

All or nothing
That's what I want from you,
I'm gonna give you everything I got
Now what are you gonna do

Don't try running away,
You know you get nothing that way
'Cos it's too late,
I'm gonna prove it to you
Too late,
I'll do what you want me to do
Too late,
You can't run anymore
Cos' it's too late for you now

My heart is burning
An' the fire is hot,
My temperature is rising, rising, rising
I'm ready to rock

All or nothing
I'm gonna make you see,
I've made up my mind, for sure, this time
You're gonna spend the night with me

So don't try running away,
You know you get nothing that way
'Cos it's too late,
I'm gonna prove it to you
Too late,
I'll do what you want me to do
Too late,
You can't run anymore
'Cos it's too late for you now

So don't try running away,
You know you get nothing that way
'Cos it's too late,
I'm gonna prove it to you
Too late,
I'll do what you want me to do
Too late,
You can't run anymore
'Cos it's too late for you now

Too late,
I'm gonna prove it to you
Too late,
I'll do what you want me to do
Too late,
You can't run anymore
'Cos it's too late for you now...
