Burn - Stormbringer

Whitesnake

The sky is red, I don't understand, Past midnight I still see the land People are sayin' the woman is damned, She makes you burn with a wave of her hand. The city's a blaze, the town's on fire. The woman's flames are reaching higher. We were fools, we called her liar. All I hear is - "Burn!"

I didn't believe she was devil's sperm. She said, "Curse you all, you'll never learn! When I leave there's no return." The people laughed till she said, "Burn!" Warning came, no one cared. Earth was shakin', we stood and stared. When it came no one was spared. Still I hear - "Burn!"

You know we had no time, We could not even try. You know we had no time.

You know we had no time, We could not even try. You know we had no time.

Coming out of nowhere Driving like rain Stormbringer dance On the thunder again Dark cloud gathering Breaking the day No point running Because it's coming your way

Ride the rainbow Crack the sky Stormbringer coming Time to die Got to keep running Stormbringer coming

The sky is red, I don't understand, Past midnight I still see the land. People are sayin' the woman is damned, She makes you burn with a wave of her hand. Warning came, no one cared. Earth was shakin, we stood and stared. When it came no one was spared.

Still I hear - "Burn!"
