

Come an' Get It

Whitesnake

Are you woman enough
To take a man like me,
Baby, I know what you got
You make it easy to see

Now I wanna give you my loving
Believe me, babe, it's true,
Maybe more than you bargained for,
But, now it's up to you

So if you want it, come an' get it,
I got something for you
If you want it, come an' get it,
I'll leave it up to you

Are you a women who takes
Anything you want,
Or the kind who says that you do
Then tell me later you don't

Now I wanna give you my loving
I knew the moment we met,
You gotta take me as you find me, baby,
'Cos what you see is what you get

So if you want it, come an' get it,
I got something for you
If you want it, come an' get it,

I'll leave it up to you,
It's right to you baby

Are you woman enough
To take a man like me,
Baby, you know what I got
I make it easy to see

So if you want it, come an' get it,
I got something for you
If you want it, come an' get it,
I'll leave it up to you...
