Whitesnake

Dog

The moon is full & shining bright I'm begging you, Baby Let me stay the night I'll keep you warm & satisfied Open up, Baby let me come inside

I wanna be your dog

You got the love I need so much The kind of skin I love to touch I'll never leave you sad & blue I just wanna make love to you

I wanna be your dog Wanna be your dog I'm gonna howl for you, Baby

I don't care what people say I'm gonna keep on howling Til my dying day Loving you ain't no sin I'm gonna keep on howling Til you let me in

I wanna be your dog I wanna be your dog I'm gonna howl for you, Baby

I wanna be your dog

Hear me howl
