

Give Me More Time

Whitesnake

I want you
I need your rhyme,
But, you keep saying, babe,
It's gonna take time
I know the heartache
I put you through,
Believe me, babe,
I'm gonna make it up to you

You are the reason
I'm down on my knees,
I'm begging you to give me a chance
If only you would
Give me just a little more time,
Give me just a little more time,
Give me just a little more time,
Give me just a little more time,
To prove it to you...

So many feelings
I can't explain,
I never thought I'd ever cause you any pain
Now I'm alone here
An' I can't hide,
The sun don't shine for me
Without you by my side

You are the reason
I'm down on my knees,
I'm begging you to give me a chance
If only you would
Give me just a little more time,
Give me just a little more time,
Give me just a little more time,
Give me just a little more time
To prove it to you...

An' I'm gonna prove it...

I want you
Right by my side
'Cos you're the only one who keeps me satisfied
I need your loving,
I need your charms,
I can't stand the through of you
In someone else's arms

You are the reason
I'm down on my knees,
I'm begging you to give me a chance
If only you would
Give me just a little more time,
Give me just a little more time,
Give me just a little more time,
Give me just a little more time
To prove it to you...
An' I'm gonna prove it...
