Give Me More Time

Whitesnake

I want you I need your rhyme, But, you keep saying, babe, It's gonna take time I know the heartache I put you through, Believe me, babe, I'm gonna make it up to you You are the reason I'm down on my knees, I'm begging you to give me a chance If only you would Give me just a little more time, To prove it to you... So many feelings I can't explain, I never thought I'd ever cause you any pain Now I'm alone here An' I can't hide, The sun don't shine for me Without you by my side You are the reason I'm down on my knees, I'm begging you to give me a chance If only you would Give me just a little more time, Give me just a little more time, Give me just a little more time, Give me just a little more time To prove it to you... An' I'm gonna prove it... I want you Right by my side 'Cos you're the only one who keeps me satisfied I need your loving, I need your charms, I can't stand the through of you In someone else's arms You are the reason I'm down on my knees, I'm begging you to give me a chance If only you would Give me just a little more time, Give me just a little more time, Give me just a little more time, Give me just a little more time To prove it to you... An i'm gonna prove it...
