

Hungry For Love

Whitesnake

I keep hangin' on the promise of love
Your eyes tell me that I'm gonna see
I feel the hunger like a starving man
Honey, when you stand close to me

I start to shiver, I start to shake,
Chills up an' down my spine,
I'm in the mood for action
In need of satisfaction,
Babe, I'm gonna make you mine

Now I believe in you,
An' everything that you do
'Cos I'm hungry for love,
I'm hungry for love, I'm hungry for love,
I can't get enough, I can't get enough, I can't get enough

I've got the weakness of an ordinary man
I need the comfort of womanly mind,
But, I get nervous when I think about
So many women an' so little time

But, I believe in you,
An' everything you do
'Cos I'm hungry for love,
I'm hungry for love, I'm hungry for love,
I can't get enough, I can't get enough, I can't get enough

I start to shiver, I start to shake,
Chills up an' down my spine,
I get so nervous when I think about
So many women an' not enough time

But, I believe in you,
An' everything that you do
'Cos I'm hungry for love,
I'm hungry for love, I'm hungry for love,
I can't get enough, I can't get enough, I can't get enough
I'm hungry for love, I'm hungry for love, I'm hungry for love,
I can't get enough, I can't get enough, I can't get enough,
I can't get enough, I can't get enough, I can't get enough

I'm hungry for love...
