Hungry For Love

Whitesnake

I keep hangin' on the promise of love Your eyes tell me that I'm gonna see I feel the hunger like a starving man Honey, when you stand close to me

I start to shiver, I start to shake, Chills up an' down my spine, I'm in the mood for action In need of satisfaction, Babe, I'm gonna make you mine

Now I believe in you, An' everything that you do 'Cos I'm hungry for love, I'm hungry for love, I'm hungry for love, I can't get enough, I can't get enough, I can't get enough

I've got the weakness of an ordinary man I need the comfort of womanly mind, But, I get nervous when I think about So many women an' so little time

But, I believe in you, An' everything you do 'Cos I'm hungry for love, I'm hungry for love, I'm hungry for love, I can't get enough, I can't get enough, I can't get enough

I start to shiver, I start to shake, Chills up an' down my spine, I get so nervous when I think about So many women an' not enough time

But, I believe in you, An' everything that you do 'Cos I'm hungry for love, I'm hungry for love, I'm hungry for love, I can't get enough, I can't get enough, I can't get enough I'm hungry for love, I'm hungry for love, I'm hungry for love, I can't get enough, I can't get enough

I'm hungry for love...
