

# If You Want Me

Whitesnake

If you want me, Baby  
If you need me, now  
If you want me  
I'll come running  
I'll get to you, anyhow

If you want my honey  
If you need my jam  
I'll give you all my sugar, Baby  
I'll give you all that I can  
I'll prove to you  
I'm a man

C'mon, Baby  
Let's get crazy  
No need to worry  
Just take my hand  
If you'll be my  
Sweet tooth woman  
I'll be your sweet lovin' man

& I'll come running  
I'll come running to you  
I'll come running  
I'll come running  
Running to you

Give me all you sweet kisses  
I'll give you all you desire  
Give me all your backbone, Baby  
& I'll set your sweet soul on fire

C'mon, Baby  
Let's get crazy  
No need to worry  
Just take my hand  
If you'll be my  
Sweet tooth woman  
I'll be your sweet lovin' man

& I'll come running  
I'll come running to you  
I'll come running  
I'll come running  
Running to you

C'mon, Baby  
Let's get crazy  
No need to worry  
Just take my hand  
If you'll be my  
Sweet tooth woman  
I'll be your sweet lovin' man

If you want me, Baby  
If you need me, now  
If you want me

I'll come running  
I'll get to you, anyhow
