

Looking For Love

Whitesnake

1. I'm tired of waiting - And closing my eyes
I'm asking myself - Why is it all my horizons
Are so far away
2. I look in the mirror - Don't like what I see
In my reflection - A stranger is staring at me
Looking for love
3. The love of a woman - The needs of a man
I try so hard to believe but I don't understand
The search goes on
4. But over the mountains - Across the sea
I know love is waiting - I hear it calling to me
Calling my name
- R: I'm looking for love all around me
Looking for love to surround me
The love that I need To rescue the state of my heart
5. Alone again, it's always the same
I've just been marking my time since the day I was born
With no one to blame
6. The candle is burning - It's way down low
I just need someone to show me the way - the way to go
Which way to go.
- R: I'm looking for love all around me
Looking for love to surround me
The love that I need To rescue the state of my heart
I'm looking for love An' finding only heartache
Looking for love An' finding only heartache
I'm looking for love to rely on
Looking for love, a shoulder to cry on
I'm looking for love to rescue the state of my heart
To rescue the state of my heart
