

Medicine Man

Whitesnake

You never leave her alone,
I can see you never learn
When you're playing with fire,
You get your fingers burned
There ain't no use in crying,
Baby don't delay,
You can call your doctor,
I'll be there right away

I'm the medicine man,
Your doctor of love
Medicine man,
Doctor of love

When there's a feeling inside,
That just can't be denied,
I will be your medicine man

Now don't you ever worry,
If you feel the fever rise,
You'll never fool nobody,
When there's fire in your eyes
There ain't no use denying,
When you need it deep inside
You've got your witch doctor
To keep you satisfied

I'm the medicine man,
Your doctor of love
Medicine man,
Doctor of love

When there's a feeling inside,
That just can't be denied,
I will be your medicine man.

You never leave her alone,
I can see you never learn
When you're playing with fire,
You get your fingers burned
There ain't no use in crying,
Baby don't delay,
You can call your doctor,
I'll be there right away

I'm the medicine man,
Your doctor of love
Medicine man,
Doctor of love

When there's a feeling inside,
That just can't be denied,
I will be your medicine man
Your doctor of love
I'm medicine man,
Doctor of love...
