

Ready To Rock

Whitesnake

I'm getting ready to rock
I'm getting ready to roll now baby
I'm in the mood to dance
I'm in the mood for sweet romance

Take it easy let it go
Sweet emotions start to flow

I'm ready to rock
Ready to rock
Ready to rock

I'm getting ready to move
I'm getting ready to groove now baby
I'm running so hot
I'm getting ready to shoot my shot

Take it easy let it go
Sweet emotions start to flow

I'm ready to rock

I'm going to lose control
Of my heart and soul
If I keep on watching you
And those things you do
It's going to be all right
We're going to dance all night
Anything you want to do
Here it comes

I'm getting ready to rock
I'm getting ready to roll now baby
I'm in the mood to dance
I'm in the mood for sweet romance

Take it easy let it go
Sweet emotions start to flow
Take it easy you will see
Take my hand child come with me

I'm ready to rock
Ready to rock
