

Rock An' Roll Angels

Whitesnake

I'm gonna tell you
What is all about,
Why I scream an' I shout for you
I've been an' travelled
All around the world,
Teasin' lottsa pretty girls like you

Oh, I feel my heart beating heavy,
Banging like a big bass drum
An' all you blue jeans queens
Know exactly where I'm coming from,
I'm looking for some

Rock an' roll, rock an' roll,
Rock an' roll angels
Rock an' roll, rock an' roll,
Rock an' roll angels

I can't hide what I feel inside
Tho' I've tried an' I've tried
I can't fake it
I get in trouble everywhere I go,
'Cos I can't say no,
I gotta shake it

Oh, I feel my heart beating heavy,
Banging like a big bass drum
An' all you blue jeans queens
Know exactly where I'm coming from,
I'm looking for some

Rock an' roll, rock an' roll,
Rock an' roll angels
Rock an' roll, rock an' roll,
Rock an' roll angels

I feel my heart beating heavy,
Banging like a big bass drum
An' all you blue jeans queens
Know exactly where I'm coming from,
I'm looking for some

Rock an' roll, rock an' roll,
Rock an' roll angels...
