

Saints An' Sinners

Whitesnake

Get ready for Judgement day
An' the final curtain call,
Don't lie when you testify
'Cos the Good Lord know you're all

Saints an' sinners, priests an' thieves,
Saints an' sinners, priests an' thieves

When Moses stood on the Red Sea shore
Laying the Law on the line,
He said don't come knocking
On the Pearly Gates
If all you did was have a real good time

Saints an' sinners, priests an' thieves,
Saints an' sinners, priests an' thieves

For what we are about to receive
May the Lord make us truly thankful.

Saints an' sinners

I stand guilty of a thousand crimes,
An' I suffer temptation still,
Show me a man who won't give it to his woman
An' I'll show you somebody who will

Saints an' sinners, priests an' thieves,
Saints an' sinners, priests an' thieves

For what we are about to receive
May the Lord make us truly thankful

Saints an' sinners,
Saints an' sinners, priests an' thieves,

Get ready for Judgement day
An' the final curtain call,
Don't lie when you testify
'Cos the Good Lord know you're all

Saints an' sinners, priests an' thieves,
Saints an' sinners, priests an' thieves

For what we are about to receive
May the Lord make us truly thankful

Saints an' sinners, priests an' thieves

Saints an' sinners...
