```
Get ready for Judgement day
An' the final curtain call,
Don't lie when you testify
'Cos the Good Lord know you're all
Saints an' sinners, priests an' thieves,
Saints an' sinners, priests an' thieves
When Moses stood on the Red Sea shore
Laying the Law on the line,
He said don't come knocking
On the Pearly Gates
If all you did was have a real good time
Saints an' sinners, priests an' thieves,
Saints an' sinners, priests an' thieves
For what we are about to receive
May the Lord make us truly thankful.
Saints an' sinners
I stand guilty of a thousand crimes,
An' I suffer temptation still,
Show me a man who won't give it to his woman
An' I'll show you somebody who will
Saints an' sinners, priests an' thieves,
Saints an' sinners, priests an' thieves
For what we are about to receive
May the Lord make us truly thankful
Saints an' sinners,
Saints an' sinners, priests an' thieves,
Get ready for Judgement day
An' the final curtain call,
Don't lie when you testify
'Cos the Good Lord know you're all
Saints an' sinners, priests an' thieves,
Saints an' sinners, priests an' thieves
For what we are about to receive
May the Lord make us truly thankful
Saints an' sinners, priests an' thieves
Saints an' sinners...
