

Stay With Me

Whitesnake

Where did you go
When things went wrong, baby,
And who did you run to,
To find a shoulder
To lay your head upon.
Baby, wasn't I there,
Didn't I take good care of you.

Oh no, I can't believe you leaving me...

Stay with me, baby,
Stay with me, baby...
Won't you stay with me, baby,
I can't go on...

Who did you touch
When you need tenderness.
I gave so much
And in return I found happiness.
Baby, what did I do
Maybe I was too good, too good for you.

No, no, I can't believe you leaving me.

Stay with me, baby,
Stay with me, baby.
Won't you stay with me, baby,
I can't go on.

Remember,
You said you're always gonna need me,
Remember,
You said you'd never, ever leave me,
Remember, remember, I'm asking you, begging you.

Stay with me, baby,
Stay with me, baby...
Won't you stay with me, baby,
I can't go on, can't go on...

Stay with me, baby,
Stay with me, stay with me, baby.
Won't you stay with me, baby,
I can't go on...
