

Would I Lie to You

Whitesnake

Hey girl, if you want me,
Come an' get me
Don't hang around
Or we could spend the night sleeping alone

If you could change your style, for a while,
An' look in my direction,
Tell me do I look the kind of guy
Who takes advantage of a women like you

Would I lie to you, would I lie to you
I would do anything that you want me too,
But, would I lie to you
Would I lie to you, would I lie to you
Baby, I would do anything that you want me too,
But, would I lie to, would I lie to, would I lie to you

Hey girl, if you need
Some love an' affection,
I'll whisper all the sweet, sweet nothings
I know you little girls like to hear
If you would change your mind
We could find a night of satin sheet action,
I promise I won't do anything
Baby, unless you wanted me to

Would I lie to you, would I lie to you
I would do anything that you want me too,
But, would I lie to you
Would I lie to you, would I lie to you
I would do anything that you want me too,
But, would I lie to, would I lie to, should I lie to you

I don't wanna sleep alone tonight,
After all you put me through.
I've spent the whole night searching
For a woman just like you.
Look in my eyes ... tell you lies
Then, baby, it's just because I want you to stay

Would I lie to you, would I lie to you
I would do anything that you want me too,
But, would I lie to you.
Would I lie to you, would I lie to you
Baby, I would do anything that you want me too,
But, would I lie to, would I lie to, would I lie to you...
