## **How Will I Know**

## **Whitney Houston**

There's a boy I know
He's the one I dream of
Looks into my eyes
Takes me to the clouds above

Ooh, I lose control Can't seem to get enough When I wake from dreaming Tell me is it really love

How will I know?
(Don't trust your feelings)
How will I know?

How will I know? (Love can be deceiving) How will I know?

How will I know if he really loves me
I say a prayer with every heart beat
I fall in love whenever we meet
I'm asking you what you know about these things

How will I know if he's thinking of me I try to phone but I'm too shy (Can't speak)
Falling in love is all bitter sweet
This love is strong why do I feel weak

Oh, wake me, I'm shaking Wish I had you near me now Said there's no mistaking What I feel is really love

Oh tell me how will I know? (Don't trust your feelings) How will I know?

How will I know? (Love can be deceiving) How will I know?

How will I know if he really loves me
I say a prayer with every heart beat
I fall in love whenever we meet
I'm asking you what you know about these things

How will I know if he's thinking of me I try to phone but I'm too shy (Can't speak)
Falling in love is all bitter sweet
This love is strong why do I feel weak

If he loves me, if he loves me not If he loves me, if he loves me not If he loves me, if he loves me not How will I know? How will I know? How will I know? How will I know?

How will I know if he really loves me?
I say a prayer with every heart beat
I fall in love whenever we meet
I'm asking you 'cause you know about these things

How will I know if he's thinking of me? I try to phone but I'm too shy (Can't speak)
Falling in love is all bitter sweet
This love is strong why do I feel weak

How will I know? (How will I know?) How will I know? How will I know?

(I say a prayer)
How will I know?
How will I know?
(I'll fall in love)
How will I know?
