I Believe in You and Me

Whitney Houston

I believe in you and me I believe that we will be In love eternally Well as far as I can see You will always be the one For me, oh yes, you will

And I believe in dreams again I believe that love will never end And like the river finds the sea I was lost, now I'm free 'Cuz I believe in you and me

I will never leave your side I will never hurt your pride When all the chips are down, baby Then I will always be around Just to be right where you are My love, you know I love you, boy

I will never leave you out I will always let you in, boy, oh baby To places no one's ever been Deep inside, can't you see? That I believe in you and me

Maybe I'm a fool To feel the way I do I will play the fool forever Just to be with you forever

I believe in miracles and love's the miracle And yes, baby you're my dream come true I was lost, now I'm free Oh, baby 'cuz I believe, I do believe in you and me See, I was lost, now I'm free 'Cuz I believe in you and me Believe in you and me
