

I'm Every Woman

Whitney Houston

Whatever you want
Whatever you need
Anything you want done baby
I'll do it naturally
Cause I'm every woman
It's all in me
It's all in me

I'm every woman
It's all in me
Anything you want done baby
I do it naturally

I'm every woman It's all in me
I can read your thoughts right now
Every one from A to Z

I can cast a spell
Of secrets you can tell
Mix a special brew
Put fire inside of you
Anytime you feel danger or fear
Instantly I will appear, cause

I'm every woman...

Oh I can sense your needs
Like rain on to the seeds
I can make a rhyme
Of confusion in your mind
And when I come down to some good old fashioned love
I got it
I got it
I got it, got it, got it
baby, baby, baby

I'm every woman...

I ain't braggin
Cause I'm the one
Just ask me
Oh, and it shall be done
And don't bother
To compare
I got it

I'm every woman... (Chaka Khan)
I'm every woman... (Chaka Khan)
