It's Gonna Be a Lovely Day

Whitney Houston

When I wake up in the morning, love And the sunlight hurts my eyes And something without warning, love Bears heavy on my mind Then I look at you And the world's alright with me

Just one look at you
And I know it's gonna be
A lovely day
Lovely day, lovely day, lovely day
Lovely day, lovely day, lovely day

When the day that lies ahead of me Seems impossible to face When someone else instead of me Always seems to know the way Then I look at you And the world's alright with me

Just one look at you
And I know it's gonna be
A lovely day
Lovely day, lovely day, lovely day
Lovely day, lovely day, lovely day

When the day that lies ahead of me Seems impossible to face When someone else instead of me Always seems to know the way Then I look at you And the world's alright with me

Just one look at you
And I know it's gonna be
A lovely day
Lovely day, lovely day, lovely day
Lovely day, lovely day, lovely day
