

# Kissing You

Whitney Houston

And I can't believe it's real  
Can't believe it's you  
I can't believe it's happening  
I can't believe it's true

And I can't believe that you are here with me  
And I am here with you

1 - (Kissing you) Softly kissing you  
(Kissing you) Forever kissing you  
(Kissing you) Kissing you

Can't believe my eyes  
I don't know what to do  
Can't believe you are mine  
Nor that I'm lying here with you  
And I can't believe you're making love with me  
And I'm making it with you

Repeat 1

Through the night, I feel your fire  
And there's nothing but you in my mind  
As you quench me of all my desires  
And I melt in ecstasy  
Oh oh, I

Can't believe it's real  
I can't believe it's true  
I can't believe that you chose me  
When I was choosing you  
And I can't believe that you are here with me  
And I am here with you

Repeat 1

Repeat 1

Ohh, kissing you
