

Thinking About You

Whitney Houston

Ooh I'm just your fool for you

I can't get you off my mind no matter what I do
I'm wishing you were here, with me
It makes no difference, I only think of you
And I'm living out my fantasy

Late at night, a rendezvous, being such a love sick fool
It might be pouring rain
But still the same, nothings changed, all and all I feel no shame
I'm just your fool the same

I keep thinking about you baby
So tell me what you're gonna do?
Got me thinking about you
All I wanna do is

Like a river of wine, intoxicate my mind
I'm thinking about you, that's what I wanna do
Pick me up, let's go down
I'm thinking about it too
Yea yea yea, yea yea yea, yea
I'm thinking about you
Ya got me thinking about you
I'm thinking about it too

Maybe weeping is a game, that's hard for me to face
But you need me just like I need you
There's no reason just my heart that makes me feel this way
And I hope you feel the same way too

Late at night, a rendezvous, being such a love sick fool
It might be pouring rain
But still the same, nothings changed, all and all I feel no shame
I'm just your fool the same

I keep thinking about you baby
So tell me what you're gonna do?
Got me thinking about you
All I wanna do is

Like a river of wine, intoxicate my mind
I'm thinking about you, that's what I wanna do
Pick me up, let's go down
I'm thinking about it too
Yea yea yea, yea yea yea, yea yea yea, yea
I'm thinking about you
Got me thinking about you
I'm thinking about it too

It might be pouring rain, but like a fool, insane
I run, I run, I run, I run to you
I'm just a love sick fool, I've got this thing for you
I'm just a, I'm just a love-sick fool
I'm just a fool for you

I keep thinking about you baby

So tell me what you're gonna do?
Got me thinking about you
All I wanna do is

Like a river of wine, intoxicate my mind
I'm thinking about you, that's what I wanna do
Pick me up, let's go down
I'm thinking about it too
Yea yea yea, yea yea yea, yea
I'm thinking about you
Got me thinking about you
I'm thinking about it too

Like a river of wine, intoxicate my mind
I'm thinking about you, that's what I wanna do
Pick me up, let's go down
I'm thinking about it too
Yea yea yea, yea yea yea, yea
I'm thinking about you
Got me thinking about you
