When You Believe

Whitney Houston

Many nights we prayed With no proof, anyone could hear In our hearts a hopeful song We barely understood Now we are not afraid Although we know there's much to fear We were moving mountains long Before we knew we could, yes

There can be miracles When you believe Though hope is frail Its hard to kill Who knows what miracles You can achieve When you believe, somehow you will You will when you believe

In this time of fear When prayer so often proves in vain Hope seems like the summer bird Too swiftly flown away Yet now I'm standing here My hearts so full, I cant explain Seeking faith and speaking words I never thought I'd say

There can be miracles When you believe (When you believe) Though hope is frail Its hard to kill Who knows what miracles You can achieve (You can achieve) When you believe, somehow you will You will when you believe

An' though they don't always happen when you ask And its easy to give in, to your fears But when you're blinded by your pain Can't see the way, get through the rain A small but still, resilient voice Says help is very near

There can be miracles (Miracles) When you believe (Boy, when you believe, yeah, though hope is frail) Though hope is frail (It's hard) Its hard to kill (Hard to kill, yeah) Who knows what miracles You can achieve (You can achieve) When you believe, somehow you will (Somehow, somehow, somehow) Somehow you will (I know, I know, know) You will when you believe (When you)

You will when you (You will when you believe)

(Just believe)

(Just believe)

You will when you believe
