

## Surprise Valley

## Widespread Panic

Oh, kiss the mountain air we breathe  
Good-bye it's time to fly.  
Sparrow climb, the air is thinner,  
Open wings cast this valley in the shade.

Fires dance the shadows  
Winds whisper the trees  
Mother talkin' the water's  
Spirit moves, it moves through all things.

Oh, kiss the mountain air we breathe  
Good-bye it's time to fly.  
Sparrow climb, the air is thinner,  
Open wings cast this valley in the shade.

Fires dance the shadows  
Winds whisper the trees  
Mother talkin' the water's  
Spirit moves, it moves through all things.
