

# In My Dreams

Wig Wam

Come on, come on, come on  
Love is all over me  
Over me

I don't know if this is what it seems  
Is it real or just a fantasy  
Aim to please is all you ever do  
Making all my fairytales come true

Come on, come on, come on  
Love is all over me  
You are the only one  
Living in my fantasy  
In my dreams

Scared of waking up and you'd be gone  
Face the truth and I'll be all alone  
Baby let's get into the groove  
Show me all you're dirty moves

Come on, come on, come on  
Love is all over me  
You are the only one  
Living in my fantasy  
In my dreams

Come on, come on, come on  
Love is all over me  
You are the only one  
Living in my fantasy  
In my dreams

In my dreams

If this ain't real dont wake me up  
I don't ever wanna stop

Come on, come on, come on  
Love is all over me  
You are the only one  
Living in my fantasy  
In my dreams

Come on, come on, come on  
Love is all over me  
You are the only one  
Living in my fantasy  
In my dreams

Come on, come on, come on  
Love is all over me  
You are the only one  
Living in my fantasy  
In my dreams
