Come on, come on, come on Love is all over me Over me

I don't know if this is what it seems Is it real or just a fantasy Aim to please is all you ever do Making all my fairytales come true

Come on, come on, come on Love is all over me You are the only one Living in my fantasy In my dreams

Scared of waking up and you'd be gone Face the truth and I'll be all alone Baby let's get into the groove Show me all you're dirty moves

Come on, come on, come on Love is all over me You are the only one Living in my fantasy In my dreams

Come on, come on, come on Love is all over me You are the only one Living in my fantasy In my dreams

In my dreams

If this ain't real dont wake me up
I don't ever wanna stop

Come on, come on, come on Love is all over me You are the only one Living in my fantasy In my dreams

Come on, come on, come on Love is all over me You are the only one Living in my fantasy In my dreams

Come on, come on, come on Love is all over me You are the only one Living in my fantasy In my dreams
