

## Far, Far Away

Wilco

Far, far away from those city lights  
Might be shining on you tonight  
Far, far away from you  
On the dark side of the moon  
I long to hold you in my arms and sway  
Kiss and ride on the CTA  
I need to see you tonight  
And those bright lights  
Oh, I know it's right  
Deep in my heart  
I'll know it's right  
By the bed, by the light that you read by  
By the time that I get home to say good night  
I need to see you again  
On the dark side my friend  
On the dark side
