

Forget the Flowers

Wilco

You're tryin' my patience, try pink carnations, red roses and yellow
daffodils
Don't forget the flowers Sunday, I know you will
Displayers of affection and all good intentions, why don't you
just send
me the bill
Don't forget the flowers someday, I know you will
Whether you've been takin' me way too seriously, ewwwewwhoo
I can't ever explain why I don't feel the pain, ewwewwhoo
I left you behind I know its been along time, but I'm not over
you
Don't forget the flowers someday, I hope I do
You're tryin' my patience, try pink carnations, red roses and yellow
daffodils
Don't forget the flowers someday
I know I will
Don't forget the flowers someday, I know I will
