

## Kingpin

Wilco

I wanna be your kingpin, living in Pekin.  
I wanna be your bigwig, living in Pekin.  
I caught the flu and away I flew.  
N.Y.C., pediate blue.  
Dimeatap, and spinal tap, a-city maps, and hand claps.  
Statue of liberty play, it only works once, don't throw it away  
.  
Cause I wanna be your kingpin, living in Pekin  
Living in Pekin, livin in....  
How can I, how can I give my love to you when I don't know what  
to do.
