

# Shouldn't Be Ashamed

Wilco

To live without a savior, answer to his name,  
Shouldn't be afraid, shouldn't be ashamed  
Like a kid behind the counter remembering your name,  
Shouldn't be afraid, shouldn't be ashamed

If it's not like I told you, then it's still your call  
You should live how you want, stay with me, we should stay apart  
Just shouldn't ever have to be this hard

Like a man on the sidewalk remembering your face,  
Shouldn't look away, shouldn't be afraid  
He remembers when they still wore gaiters, World War One  
Shouldn't be afraid, shouldn't be ashamed

If it's not like I told you, then it's still your call  
You should live how you want, stay with me, we should stay apart  
Just shouldn't ever have to be this hard
