

# He the Colossus

Wild Beasts

I am no bad bullpenner  
Petty sinner  
Or scandal spinner  
But you can stuff your chastity  
Your "wait and see", your "not ready"

'Cos we are vigilantes  
We'll run the streets  
We're running free  
And you could have me any time  
Just flirt those come-to-bed eyes

Do I dare to disturb the universe?  
Lest I crush the softest among us  
The universe has us locked in a death-spin  
Not enough fucking  
Too much of wandering

The wrong place at the right time  
Stars were aligned  
You were always mine  
Do I dare to disturb the universe?  
Lest I become he the colossus

When you scrub up you're my very heart  
You're my sweet cherub  
You're my junkie love  
You could have me any time  
Just flirt those come-to-bed eyes

Do I dare to disturb the universe?  
Lest I crush the softest among us  
The universe has us locked in a death-spin  
Not enough fucking  
Too much of wandering

The wrong place at the right time  
Stars were aligned  
You were always mine  
Do I dare to disturb the universe?  
Lest I become he the colossus

Don't mean you no harm  
But everything I touch is bad  
Don't mean you no harm  
Everything just dies in these hands

Do I dare to disturb the universe?  
Lest I become he the colossus  
Do I dare to disturb the universe?  
Lest I become he the colossus

He the colossus  
Do I dare disturb the universe?

Do I dare to disturb the universe?  
Before the [?] it gotta get worse
