

## Ponytail

## Wild Beasts

We're thick as thieves, I'm on my knees  
My heart moves in a way I can't explain  
I tell your friends, but burn the sheets  
I couldn't care less if I'm never seen again

But she won't come lightly  
Beautiful agony  
You know what, it's stopping once it starts  
And once the fuse gets lit  
You know you're in for it  
Every clench is like a dagger through my heart

I want you to love me  
I want you  
To trust me  
In the patterns of your heart  
And never be apart  
No names, no doubt  
Get in and get out

We're thick as thieves, no sleep  
You won't believe the things I've heard  
And no, there's nothing wrong with me  
And I saw death of the skirts of the world now

She won't come lightly  
Beautiful agony  
You know what it's stopping once it starts  
And once the fuse gets lit  
Nothing's gonna come of it  
And every clench is like a dagger through my heart

I want you to love me  
I want you  
To trust me  
In the patterns of your heart  
And never be apart  
No names, no doubt  
Get in and get out

You know what you bringing out? (Get in and get out)  
The ponytail swinging out (Get in and get out)  
You know what you bringing out? (Get in and get out)  
The ponytail swinging out

I want you to love me  
I want you to trust me  
I want you to trust me (Get in and get out)  
I want you to trust me (Get in and get out)
