

## Pregnant Pause

Wild Beasts

Dangerous make it good, so that you'll remember  
Be there, not anybody understand  
The wings are tongue that we speaking  
No wilds got that ...but baby I got  
Not anybody will understand  
'Cause soon you tell me that I was to warn you  
As I blind spark you got me in the  
'Cause so you'll say me that you love so  
Waiting a second see that pretty  
Speak to me, yeah, talk, when you wanna go  
Speak to me young talker  
When I tell you what that was  
'Cause soldiers are here to watch you  
There's a blind spark that I have get to  
That soldiers you see like an obstacles  
Breath and say come feel that could be yours
