Wild Beasts

Dangerous make it good, so that you'll remember
Be there, not anybody understand
The wings are tongue that we speaking
No wilds got that ...but baby I got
Not anybody will understand
'Cause soon you tell me that I was to warn you
As I blind spark you got me in the
'Cause so you'll say me that you love so
Waiting a second see that pretty
Speak to me, yeah, talk, when you wanna go
Speak to me young talker
When I tell you what that was
'Cause soldiers are here to watch you
There's a blind spark that I have get to
That soldiers you see like an obstacles
Breath and say come feel that could be yours
