

Love Like This

Wild Belle

My heart's on fire
You light me up, and I can't cool down
Your love is wild
You're dangerous
Dangerous
(2x)

Remember when you kissed me by the sea
You were saying all the things that I'd like to believe
That you could give me all your love
You could give me just enough
And we could live in paradise
And never have to leave

But is it true?
Whenever I look around
I can always find you
On my side
In the morning and night
You're my can-candy all the time

My heart's on fire
You light me up, and I can't cool down
Your love is wild
You're dangerous
Dangerous

I've never known a love like this
I've never known a love like this
(And if it's so good)
Could it be true?

Ooo, ooo, oooo
Am I dreaming or is this love for you?
Ooo, ooo, oooo

I like your style
I like your smile
Everything about you
When you are on top
I let you take me for a ride
We can go anywhere you want to

My heart's on fire
You light me up, and I can't cool down
Your love is wild
You're dangerous
Dangerous

Your style
I like your smile
Everything about you
When you are on top
I let you take me for a ride
We can go anywhere you want to

I've never known a love like this

I've never known a love like this
I've never known a love like this
I've never known a love like this
I've never known a love like this
