

# Shine

Wild Belle

What did I tell you 'bout leaving me letters  
On the door when I'm not home  
I don't love you, it don't make it much better  
When you acting like a child

What is this, Valentine's day?  
I don't think so  
Just a kiss, that's all you're asking  
But I don't want to

I've got a lover  
He puts the shine in the sun  
I've got a lover  
He puts the shine in the sun

When I'm on a walk, just strolling through the park  
I don't wanna see your face  
If you catch me at the bar with my man after dark  
I'll turn the other way

Goodbye old memory  
I'm movin' off your road  
Goodbye old memory  
I'm movin' on for sure

I've got a lover  
He puts the shine in the sun  
I've got a lover  
He puts the shine in the sun

I've got a lover  
He puts the shine in the sun  
I've got a lover  
He puts the shine in the sun

You said that you can't take it, the way your heart's been breaking  
I felt just how you feel  
But now I have forgotten you took my heart and lost it  
Suddenly it's beatin' once again

Goodbye old memory  
I'm movin' off your road  
Goodbye old memory  
I'm movin' on for sure

I've got a lover  
He puts the shine in the sun  
I've got a lover  
He puts the shine in the sun

I've got a lover  
He puts the shine in the sun  
I've got a lover  
He puts the shine in the sun

I've got a lover
