

Do Me Right

Wild Orchid

Do me, do me, do me right
Do me, do me...

I wait up late at night
Put out the candlelight
Go to sleep because I know
You'll be here tomorrow when I wake up
Give all the time you need
Your words I will believe
See it though the little things
If you know never to abuse it

Don't try me
Don't lie to me
Don't be afraid
Oh..

Do me, do me, do me right
Now make
All your wishes come alive
When I say
Do me, do me, do me wrong
And I will
Give you more than you have to pay
Do me, do me, do me right
Now make
All your wishes come alive
When I say
Do me, do me, do me wrong
And I will
Make you wished that you never stayed

Do me, do me, do me right
Do me, do me...
Champange and caviar
So close but no cigar
All I need is what you are
Designer suit?
I'd rather see you on the weekend
Any words than honesty
Is more than enough for me
I'll wait and I'll be true
I just need to hear you say "I love you"

Don't try me
Don't lie to me
Don't be afraid
Oh..no

Do me, do me, do me right
Now make
All your wishes come alive
When I say
Do me, do me, do me wrong
And I will
Give you more than you have to pay
Do me, do me, do me right

Now make
All your wishes come alive
When I say
Do me, do me, do me wrong
And I will
Make you wished that you never stayed

Give you all the time that you might need
Every single word I will believe
If you never ever crossed the line
If I had the chance I will stand by you
But you got to promise to be true
Anyway I say
Do me right now and make your wishes come alive

Do me, do me, do me right
Now make
All your wishes come alive
When I say
Do me, do me, do me wrong
And I will
Give you more than you have to pay
Do me, do me, do me right
Now make
All your wishes come alive
When I say
Do me, do me, do me wrong
And I will
Make you wished that you never stayed
Do me, do me, do me right
Now make
All your wishes come alive
When I say
Do me, do me, do me wrong
And I will
Give you more than you have to pay
Do me, do me, do me right
Now make
All your wishes come alive
When I say
Do me, do me, do me wrong
And I will
Make you wished that you never stayed
