

# Just Another Girl

Wild Orchid

So will you be a boy?  
Or will you be the king?  
Will you break my heart?  
I'll be the sweetest thing.  
I'm not just another (just another girl - girl, girl, girl)

Tell you what I want  
All I want is love  
Even if it seems like it's too much  
I'm not asking for the world  
I'm not just another girl

Every time we hook up, boy, you're always in a rush  
You say keep it on the hush, but I'm not just a play thing  
That you can play games with, oh baby, no

And every time you see me, boy, you better recognize  
Don't undress me with your eyes, 'cause I won't be disrespected  
I'm not what you expected, or what you've had before

See, I'm not just another girl  
Boy, I've got myself in line, so don't go wasting my time (wasting my time)  
But if you take good care of me  
Baby, I will make you see that I'll be all that you need (all that you need,  
oh)

You wanna be my man (my man)  
Boy, you better get with the program  
I don't mean to be demanding, but don't you take my lovin' for granted  
'Cause every time I wanna talk, well, you just turn around  
I'm not tryin' to bring you down  
But I need some attention, so I can feel special  
'Cause, baby, I'm the one

'Cause I'm not just another girl  
Boy, I've got myself in line, so don't go wasting my time (wasting my time)  
But if you take good care of me  
Baby, I will make you see that I'll be all that you need (all that you need,  
oh)

It's not too much, baby, 'cause I'm the one  
Don't need the world, 'cause I'm not just a girl

Disrespected... oh...

It's not too much, baby, 'cause I'm the one (it's not too much, baby)  
Don't need the world, 'cause I'm not just a girl.

It's not too much, baby, 'cause I'm the one  
(will you be a boy?...all I want is love... I'm not in it for the world)

Don't need the world, 'cause I'm not just a girl.
