Wild Strawberries

I'm not the kind you marry I'm not that kind at all I'm not the one you think you want But I will be the one There when you fall

I'm not your bloody mary
I'm not that type at all
I'm just the writing on the wall
But I will be the one
There when you fall

Did I tell you I would come around Did I say that I would ever be the one to hold you

Fall
