And now, I fly through the air like a Frisbee  
Or paper aeroplanes see my life is risky  
They like the hype, and I like the mic  
We both like to fight, them girls like to lips me  
I don't mind I'm an artist, don't take part if you don't like drama l

Everyday I make history  
If I wanna turn Muslim I'll go 'n see Ibbey and Shifty
