Wiley

I need to be  
I need to be  
I need to be  
Yeah I need to be  
I won't pretend i ain't seen your love  
But that's a lie baby girl i need to be in your love zone  
I need to be  
I need to be  
I need to be  
Yeah I need to be  
I won't pretend i ain't seen your love  
But that's a lie baby girl, I need to be in your love zone

Yo, I need to be in your love zone  
Yeah you need to come to my love home  
Make love to you but my name ain't love jones  
When we're on our own i got my love and my love flows
