Lookin for the sky while I'm chilling on the sofa I'm a weirdo, why you callin me a joker I make boil degs when I go into the mission Even if my raps ack in the cad now it's pissing And my days gettin verse, my banes might burst Dezert and dinner but I had 2 desserts first When I got the pang I will never buy a mursh Here I go again gettin busy in the verse

I'm a weirdo but I'm not a bi-polar
