

Faded

Wilkinson

My eyes are open wide
But I can't see a thing, I can't see a thing
And I see the blinding lights
But I can't see a thing, I can't see a thing

So faded, high, high, high
I can't think straight now
I can't see straight now
No I, I, I
I can't think straight now
I can't see straight now
I'm so faded
I'm so faded
I'm so faded
I'm so faded

And my eyes are open wide
But I can't see a thing, I can't see a thing
And I see the blinding lights
But I can't see a thing, I can't see a thing

I'm so faded
I'm so faded
I'm so faded
I'm so faded

So faded, high, high, high
I can't think straight now
I can't see straight now
No I, I, I
I can't think straight now
I can't see straight now
I'm so faded
I'm so faded
I'm so faded
I'm so faded

My eyes are open wide
But I can't see a thing, I can't see a thing
And I see the blinding lights
But I can't see a thing, I can't see a thing
